

Beyond the Limits An Autism Resource Connection

Our Mission

Beyond the Limits, An Autism Resource Connection is a 501(c)(3) non-profit corporation with a mission to provide leading-edge information about biomedical research, tests and treatment options for autism spectrum disorders and a monetary grant to help defray the cost of both traditional and biomedical interventions.

An Overview of Our Services

- Periodic seminars about biomedical protocols regarding autism spectrum disorders
- Advocacy seminar about IDEA and the IEP process;
- A monetary grant to families to help defray the costs of biomedical and traditional interventions (as funds are available);
- The distribution of current biomedical information via website and email; and
- Office located in Hendersonville.
